

Pint of Science Austria – we are looking for volunteers!

A chemist and a physicist walk into a bar.. Sounds like a joke? Not for us! The festival Pint of Science brings research and science to the local pubs. The idea is simple: interesting and interactive talks in a cosy atmosphere make science and research accessible for the public and show that sciences are important for our society - and also entertaining!

For our next edition in May 2024 we are still looking for volunteers to expand our organising team. If you are interested in joining the world of Pint of Science, sign up here (<https://bit.ly/pos-sign-up>) or contact directly [austria@pintofscience.com](mailto:austria@pintofscience.com) - no prior experience is required! We are looking forward to hearing from you!
