

Shelfmark	Composer	(Short) Title				
Mus.Hs. 17783	Gluck, Christoph Willibald	Orfeo ed Euridice				
Notes						
<p>The score reveals several layers of use:</p> <p>Creation of the score around the first performance on October 5, 1762. (Dating based on paper findings: P66 used in other scores of 1762 and 1763).</p> <p>Later entries and additions by WK71W (= Salieri; on the question of identification, see also GGA I/1, p. 196; de la Laurencies, p. 348): Entries in red pencil and pencil on dynamics, performance instructions, and orchestration, shaving of individual passages (vol. 1: fol. 6v-7r, 13v-14r, 73v), and two subsequently glued-in folios (vol. 1: fol. 74; vol. 2: fol. 84) with unidentifiable watermarks. These changes were probably made in the course of one of the revivals on May 13, 1770 or December 31, 1781.</p> <p>Playbill from “Dienstag den 12.” [month and year cut out] bound in vol. 1. This playbill very likely refers to a performance on February 12, 1782, (see <i>Vollständiges Verzeichniß aller Schauspiele und musikalischen Akademien</i>, hrsg. von Salomo Friedrich Schletter, Wien: Ehelensche Erben 1783). The playbill also lists the cast of the performance series of Dec. 1781/Jan.–Feb. 1782.</p> <p>The score contains two different unidentified papers: Vol. 1, fol. 74: upper half of a W or VV? Vol. 2, fol. 84: lily</p>
