

Shelfmark		Composer		(Short) Title		
Mus.Hs. 17297		Hasse, Johann Adolf		Il trionfo di Clelia		
Notes						
<p>P71 appears in many different variants, differing among others in the width of the letter M in the mark, the little circles under the crown in the countermark and the space between the letters A and S in the sidemark. The variants appearing in this volume cannot always be assigned to one of the variants photographed (e.g. P71A_var1); they often show intermediate forms. Anyway, the basic forms of P71A and B are represented.</p>
