MASTER CLASSES, COMPETITION, WORKSHOPS & FESTIVAL
9-23 AUGUST 2015
ORGANISED BY THE
MDW - UNIVERSITY OF MUSIC AND PERFORMING ARTS VIENNA
It’s with excitement that we’re looking forward to celebrating 25 years of isa this coming summer! Over many years of consistent development, a 13-student master class for strings has developed into a project that is unique the world over. With the isaMasterClass programme (courses for strings and winds, piano, chamber music, voice, composition, and the interpretation of contemporary music), diverse supplementary workshops, interdisciplinary creative projects, the symposium format isaScience, isaOperaVienna (courses, an opera production, and the 3rd Otto Edelmann Singing Competition – Vienna), and the isaFestival with its well over 40 concerts, isa – as the mdw’s summer campus – reflects the leading status of our university on the international level. This coming year’s theme “Jubilee – Music and Cultural Memory” will give us the opportunity to do quite a bit of celebrating, while at the same time critically questioning the omnipresent programming dictates associated with dates of birth and death!
